

**Breviar de poetică cognitivă  
Elucidări conceptuale**

Alina BUZATU  
Universitatea „Ovidius” din Constanța

**Abstract:** *My study focus on the methodology of cognitive poetics, aiming at defining, structuring and integrating the steps of its conceptual algorithm. This metatheoretical research, though concise, attempts to prove the relevance and the efficacy of cognitive poetics as a method of critical investigation.*

**Keywords:** *cognitive poetics; (meta)mind; image schema; scenario; cognitive / cultural model; possible / discourse world.*
